Wrong sizes can be exchanged or reordered for correct sizes but must be in box with manufacturers tag on suit, but are subject to a 20% restocking fee. Custom printed suits, or a suit that has the tags removed or has been worn in the water cannot be returned. Defective suits must be returned within 15 days of delivery. Sweats cannot be exchanged, cancelled or refunded after 48 hours of placement of the order.

SUIT CARE AND SIZING RECOMMENDATIONS: Lycra suits are very delicate and life expectancy depends upon care. Suits should be rinsed in cold water after usage and hung to dry, do not wring out. Pool chemistry and wear affect Lycra life. The life of Lycra can be reduced dramatically if the suit is left wrapped in a towel for even a short period of time. The suit should fit snug, but not so snug that it is uncomfortable. The suit will stretch and get bigger with usage and especially when wet. A suit fitted too large will actually wear out quicker because of all the excess water running through the suit.
